REACH - <https://eur-lex.europa.eu/legal-content/PL/TXT/?uri=CELEX%3A02006R1907-20140410>

EEA – European Economic Area, covering the member states of the European Union and the European Free Trade Association, with the exception of Switzerland.

SVHC – Substance of very high concern

Annex XIV List – Substances which are prohibited within the European Economic Area (EEA) and may only be used with appropriate authorization from ECHA. Articles containing substances on the Annex XIV List require safe use information if shipping to or within the European Economic Area.

Candidate List: Substances identified by ECHA to be substances of very high concern (SVHC) and hazardous to human health and the environment. Articles containing >.1% of any substance on the Candidate List require safe use documentation if shipping to/from or within the EEA.

ECHA – European Chemicals Agency – regulatory agency that administers the REACH regulation on behalf of the European Union. <https://echa.europa.eu/>
